Mayor and Council Message

Election Day is Tuesday, November 6, 2007. The polls will be open from 6:00 a.m. until 8:00 p.m. Districts 1 and 2 vote at Cavallini Middle School Gym, District 3 votes at Borough Hall and Districts 4 and 5 vote at Presentation Church. Please take a few moments out of your day to exercise your right to vote!

The Mayor and Council are pleased to announce the appointment of Gene P. Leporiere as our Chief Financial Officer/Tax Collector. Gene is a Certified Public Accountant, Certified Municipal Financial Officer, Certified County Finance Officer, Certified Tax Collector, and a Certified Internal Auditor. Prior to working in Upper Saddle River, Gene was the project supervisor for the American Institute of Certified Public Accountants; former Chief Financial Officer in Bergenfield; and former Chief Financial Officer/Treasurer in Hillside. He holds a Bachelor of Science Degree in Accounting and an MBA in Finance and Economics from Rutgers University. Gene has a strong background in all phases of accounting, in addition to budgeting and fund accounting.

We are very proud to announce that Lieutenant Patrick Rotella completed the West Point Command and Leadership program, an extensive 13-week program sponsored by the NJ State Chiefs of Police Association and the West Point Military Academy. The program is designed to develop future leaders in law enforcement, the same way the military develops their future leaders. The course teaches leadership theories, concepts, and approaches that the law enforcement leader

can apply to realistic law enforcement scenarios, that affect both law enforcement and the community. Congratulations Lieutenant Rotella!

As a safety reminder, road conditions have changed with the end of daylight savings time and the leaves beginning to fall. Please exercise additional caution while driving to protect everyone in our community.

Well Water Testing

The State of New Jersey recommends routine testing of well water for bacteria once a year and for volatile organics every three years.

The Northwest Bergen Regional Health Commission offers a well water testing program, which includes tests for volatile organics, lead, coliform bacteria, nitrates and arsenic in home well water. The results are mailed to the homeowner and are confidential. The test kits include water containers for all five tests and easy to follow instructions.

The cost of the tests is \$200.00, payable in advance to NWBRHC. Test kits can be picked up at the Commission office, located at 22 West Prospect Street in Waldwick. The office is open Monday through Friday from 8:30 a.m. to 4:00 p.m. Testing samples will be accepted the first Monday of every month before 10:00 a.m. This program is not intended for use during home sales. It does not comply with the Private Well Testing Act. For further information, call (20) 445-7217.

Perchlorate is both a naturally occurring and man-made chemical. It is used in a wide variety of industrial processes and pyrotechnics. Wastes from the manufacture and improper disposal of perchlorate-containing chemicals are increasingly being found in soil and water. It has been discovered in water in more than 20 states in the U.S. and has been found in water samples taken from wells in Bergen County including Upper Saddle River. Ingested perchlorate at sufficient levels interferes with the iodide uptake into the thyroid gland, disrupting thyroid functions in adults and children. While there is currently no standard for perchlorate, the

New Jersey Department of Environmental Protection recommends that people avoid drinking water known through confirmed testing to contain more than 5ppb of perchlorate. Boiling may increase the perchlorate concentration so cooking with water with a high perchlorate level is not recommended; however, contaminated water is safe for showering, bathing or washing clothes.

If you are concerned about possible perchlorate contamination, the DEP recommends testing by a New Jersey certified lab. Typical water testing available through the Northwest Regional Health Commission in Waldwick does not include perchlorate testing. The DEP's Office of Quality Assurance offers a list of New Jersey certified labs at <http://www.state.nj.us/dep/pqa/index.html> or by calling 1-609-292-3950. More information on perchlorate can be obtained at www.state.nj.us/dep/watersupply/perchlorate_guide11_1_2005.doc or email watersupply@dep.state.nj.us.

Garbage and Recycling

The garbage and recycling schedule for the month of November is listed in the chart below.

Please be sure not to have your garbage or driveway blocked by any cars or trucks. The garbage company will not take any chances of scratching any vehicle in your driveway by taking garbage around them. If there is vehicle in the way, the garbage will be left until the next scheduled pick up date.

For your convenience, the Recycling Depot, which is located behind the Borough Hall, is open every Saturday from 8:00 a.m. to noon. A monitor is on duty to assist you.

Lions Club Fall Harvest Sale

Borough residents can get ready for Thanksgiving dinner and the holiday season while helping those in need. The net proceeds of this year's sale will benefit sight and other health-related charities and local community volunteer organizations. The Lions will also be collecting used eyeglasses for those in need. The Saddle River Valley Lions Club thanks you for your continued support.

Boy Scout Spaghetti Dinner

Once again, Boy Scout Troop 133 is holding its popular Election Day Spaghetti Dinner. The meal consists of salad, Italian bread, spaghetti, dessert and beverage. Dinner will be served from 4:30 p.m. to 8:00 p.m. at the Old Stone Church Educational Building. Take-out is also available.

Tickets are available at the door for \$8.00, or may be purchased from any Boy Scout, or by calling Maryclaire Collis at 201-818-0804.

Money which is raised from this event is used to help pay for awards, medals and patches earned by the boys, as well as the Eagle Scout ceremony. Funds also go into subsidizing outings such as white water rafting and camping trips.

The Scouts urge you to come out and support them on November 6th. The dinner is lots of fun, the food is delicious, and the money raised will help the Scouts continue to offer their many worthwhile programs to Upper Saddle River's young men.
