

UPPER SADDLE RIVER STRUCTURED SOCCER INSTRUCTION

Is it hard for your child to participate in sports with other children? Do you feel uncomfortable putting that pressure on your child? Here is a chance for your child to play soccer, exercise and have fun with his or her peers from town.

If your child has expressed an interest in playing soccer or just would like to give it a try, he or she can FINALLY play, right here in USR! Upper Saddle River is offering for the 1st time, a structured, small group soccer clinic for children in grades K-2 with special needs. Clinics will be held on Saturday afternoons for 45 minutes. The players will warm-up, run drills and scrimmage each other. Built in breaks and any other accommodations will be made as well. Each participant will require a parent shadow for all clinics. All players will receive a t-shirt and soccer ball. Siblings are welcome to join in on the fun!

So, come on out and give it a try! The search for an appropriate sports program for your child is over! Mark it DOWN and stay in TOWN!!
