

St. Jude needs your help!

From the USR Recreation Commission and the Saddle River Valley Junior Women's Club

The SRVJWC will be hosting a St. Jude Trike-A-Thon fundraising program benefiting St. Jude Children's Research Hospital, and we are inviting your child to participate. Your child will learn riding-toy safety while helping children battle cancer and other life-threatening illnesses. It will be fun, educational and most of all supportive of the outstanding cause of St. Jude Hospital. The Trike-A-Thon will be held during the Upper Saddle River Day event on September 10, 2011 from 1:00-2:00pm at Cavallini middle school. Children in Pre-K through grade 8 are welcome to participate and ride-ons are not limited to "trikes". With our help, St. Jude can continue its mission to find cures and save children.

If you would like to join our event, [visit the event Web page](#) and register your child to participate. Attached is a online fundraising instruction sheet for parents to follow.

If your child is unable to participate, please consider [making a donation](#) towards our event.

For questions or in person registration please contact Leslie Lahoud at 201-962-3303.

Thank you for your support!

Please note rain date is Sunday, September 11.
