PROGRAM INFORMATION

Kinder Soccer:

The Kinder Soccer program is limited to children entering Kindergarten in September 2015. The program runs for 8 weeks with hour long Saturday morning sessions beginning approximately the 2nd weekend after Labor Day. Each Saturday morning clinic is run by professional trainers. Volunteer coaches aid the trainers in conducting soccer drills and organizing the children. Tee shirts and soccer balls are provided. The program is an excellent opportunity for parents to learn more about soccer and to become involved in their child's play from the start. Parents should volunteer at this level if they plan to coach or assistant coach in the upper soccer divisions. The clinic is designed not only to teach the children the basics of soccer, but also to train parent coaches' proper coaching techniques.

Coaches:

Head coaches and assistants are needed to assist the professional trainers who run the Saturday program. Experience is not required. Please indicate your interest during online registration.
