

UPPER SADDLE RIVER SPECIAL NEEDS SOCCER AND FLAG FOOTBALL

The Upper Saddle River Recreation Commission and USR Soccer Association are sponsoring structured soccer and flag football clinics for children in grades K-9 with special needs...and it is free! The players will warm-up, run drills and play a brief game. Built in breaks and any other accommodations will be made as well. Each participant will require a parent shadow for all clinics. The clinics will be on Saturdays at 11:00 am for Soccer and on Sundays at noon for flag football. Clinics will be held at Lions Park and run for about an hour. Our first clinics will be the weekend of September 19th and continue through November. Please bring any equipment you may have.

I am also looking for volunteers. Volunteers are generally 8th grade and up. It is a great experience and the program does not run without volunteers.

The clinic is open to USR and AREA residents so please spread the word! If interested please contact Joe Abbatiello Phone 917-744-4415 or email jabbatiello@verizon.net
