

UPPER SADDLE RIVER RECREATION SPECIAL NEEDS TRACK AND BASEBALL

The Upper Saddle River Recreation Commission is sponsoring structured track and baseball clinics for children in grades K-9 with special needs...and it is free! The players will warm-up, run drills and have races and play a brief game. Built in breaks and any other accommodations will be made as well. Each participant will require a parent shadow for all clinics.

The clinics will be on Saturdays 10am for Track and on Sundays at noon for Baseball. Clinics will be held at Lions Park and last about an hour. Our first clinics will be the weekend of April 24th and continue through June. Please bring any equipment you may have.

We are also looking for volunteers. Volunteers are generally 8th grade and up. It is a great experience and the program does not run without volunteers.

The clinic is not only for USR residents so please spread the word!

If interested please contact Joe Abbatiello.
