RECREATION BASKETBALL PROGRAM

Basketball is back!! Our intention is to start the rec season as soon as December.

Please understand that our mission this year will be to build upon the great success of the program last winter and to get as many kids back on the court as possible.

Registration for our Recreation Basketball League is \$200 for **Grades 3-8**. The program will start in December and run through mid-March. Your coach will contact you before the start of the season.

Please consider coaching a team, as we are always short on coaches!

Any questions pertaining to our recreation basketball league should be directed to scottkramer23@gmail.com.

INSTRUCTIONAL CLINICS

There is also an Instructional Clinic program for **Grades K-2**, held on Saturdays beginning in mid-December and ending mid-March. The registration fee for clinics is \$175 per child.

Any questions pertaining to our clinic program should be directed to Kevin Casey at caseykevinm@gmail.com.

REGISTRATION FOR REC LEAGUES ENDS THURSDAY, DECEMBER 1, 2022
