

2019 USR Travel Basketball Tryouts

Updated: 9/19/2019

Boys and Girls - Grades 3rd thru 8th

This year, you **MUST** register **before** tryouts. **No Exceptions.** **Travel Tryouts will begin the first week of October.** A tryout schedule will be circulated once finalized. Please go to the **USRBasketball.com** website and register under "**Travel Tryouts**".

There is no fee for tryouts. If a child is selected for a travel team, the child will be required to accept their roster spot and pay the following Travel Basketball Program fees:

- **Grades 3-5** : \$350 per player
- **Grades 6-8 with hired coach** : \$450 per player
- **Grades 6-8 without hired coach** : \$350 per player

The fee is for Travel Basketball ONLY. There is a separate fee for Recreation Basketball. The registration for Recreation Basketball must be completed separately from the Travel Basketball registration on the USRBasketball.com website. **Also, there will be an additional uniform expense for new travel players.**

Tryouts are open to USR residents or children who are enrolled in a USR school. All children in grades 3-6 **MUST** participate in our Recreation Basketball Program if they are chosen to play for a Travel Basketball team

We encourage all eligible children to try out for their respective travel team grade, whether or not they have attempted to make a travel team in prior years. It is our intention to set roster size and number of teams for each grade individually after the board reviews the tryout results. Parent coaches will be selected once rosters are set. Depending on the number of players who tryout at each grade level, the board may determine that it is in the best interest of the Travel Program to form a team with players from other towns (HHK, SR, Allendale).

Any questions pertaining to travel should be directed to Scott Vandersnow 201-615-0895 (BOYS) and Michael Starr 201-401-4266 (GIRLS)

★ TRYOUTS ★
