Highlands Travel Baseball – Better Baseball Meeting

Please join the Highlands Travel Baseball Board on Thursday, February 6 at 7:00PM at the Northern Highlands High School Auditorium for our annual Better Baseball Meeting.

Purpose:

This gathering will be a valuable introduction to the new families joining our travel baseball program. Additionally, for those families that have been with us in our early years of growth, it will be an informational narrative of all that we have accomplished in our infancy.

Objective:

The objective of this meeting is to expose more people to our brand through the explanation of our goals. It is also our aim to generally promote the sport of baseball by sharing our teaching and coaching methods and our philosophy on how we manage the program

About:

Formed just a couple years ago between the travel baseball programs of the 4 towns within the Northern Highlands sending districts, HTB is off to a great start. Registration numbers have pushed higher, we have already fielded several championship teams and many playoff contenders at various age levels, and we have built a strong cohesion among the children of the 4 participating towns.
