

A Coronavirus Testing Site has been opened at Bergen Community College, Paramus Campus, Parking Lots A and B. Hours 8am-4pm daily. NJ residents only. Testing is for individuals who are experiencing symptoms of respiratory illness -- a fever of 99.6 degrees or above, shortness of breath and a cough. A doctor's note is not necessary but is useful. Individuals who are not symptomatic will not be tested, as testing kits are limited.

The specimens will be sent to the laboratory twice per day and results will be reported within 2-5 business days. Testing is free and will be covered by the federal government or personal insurance company. Individuals are encouraged to bring insurance cards if they have one.

For more information about Community-Based Testing Sites, visit: nj.gov/health.
