

Wishing everyone a safe and happy Labor Day Weekend. Borough Hall will be closed [on Monday, September 7th](#). School opens [on Tuesday, September 8th](#).

Our community has done a terrific job at containing our confirmed cases of COVID-19. Currently, we have 55 cases with just two of those cases being less than 30 days old, many were first reported far longer than 30 days ago. There are only four towns in Bergen County with fewer cases reported than Upper Saddle River - each of those towns has far fewer residents - so essentially we have done an excellent job prioritizing our health. It is imperative, however, that we all continue to do our part to avoid an increase in cases this fall.

After previous holiday weekends, the overall count has been seen to rise nationwide. Please remember to wear your masks, wash hands frequently, avoid crowds and socially distance whenever possible over the weekend. Outdoor activities are preferable over indoor. The overall health of our community depends on the actions of each individual. Let's all do our part to make the reopening of school, reopening of businesses and the return to normal activities be a success. We are all counting on each other.

Thank you to everyone for all you've done to get us to this point. I truly appreciate everyone's efforts. We certainly do not want to go backwards.

I wish everyone an enjoyable weekend and all of our students and teachers a successful return to school.

Mayor Joanne Minichetti
