Dear Mr. Rigg:

The Bergen County Soil Conservation District understands that the above referenced activity does not fit the definition of a "project" as defined in the Soil Erosion and Sediment Control Act, Chapter 251, P.L. 1975.

We understand the area disturbed will be less than 5,000 square feet of soil surface; therefore it does not come under the jurisdiction of the Bergen County Soil Conservation District.

Please be advised that soil disturbance exceeding 5,000 square feet will void this exemption.

If you have any questions, feel free to contact this office.

Very truly yours,
