---

**Everyone must tryout...even existing players.**

[www.americanssoccerclub.org](http://www.americanssoccerclub.org)

The **Americans Soccer Club** is *the original and only* organization based out of the Highlands region providing competitive year-round soccer for all children. The Americans provides exclusive access to Northern Highlands coaches for middle school children and is open to families/players from the broader surrounding NJ and NY region.

The Junior Americans (U3-U7 age group) do not require tryouts, while U8 and above require tryouts to better evaluate our most competitive teams.
